Player Registration

You MUST register no later than Thurs 29 March – for team selection!!

Register at: <http://bit.ly/NPJFC2018Rego>

After this date we may not be able to guarantee a place in a side. Players wanting to register to play at NPJFC after this date must communicate directly with the club. Players will be able to register after this date only if there are spots available in the required age group however it is not our policy to allow players who register late, and haven't participated in preseason sessions to play immediately after registering. All players are expected to participate in training allowing the game style and game day expectations to be shared. Please communicate with the club if you cannot register within the timeframe.

Capped Teams in 2018

To give children fair time on the field teams will be capped in 2018:

Under 8s - Teams for season will be capped at 16 per side.

Under 9s – 17s - Teams for season will be capped at 24 per side.

As per previous years we will be looking to get an even spread of children from different schools in all teams, to foster a "connected club and community" for our children. This gives our players the opportunity to play with existing and new friends.

Returning players and Newport Power Auskickers and at our club will also be given priority when placing teams over newly registered players.

* It is an expectation that ALL players wear Newport Power Junior match day gear (NPJFC training top, shorts, socks and hoodie). Also we ask that ALL parents remain at the ground, during training sessions, not only in case of injury but to help and engage in the running of the training session.

Volunteers

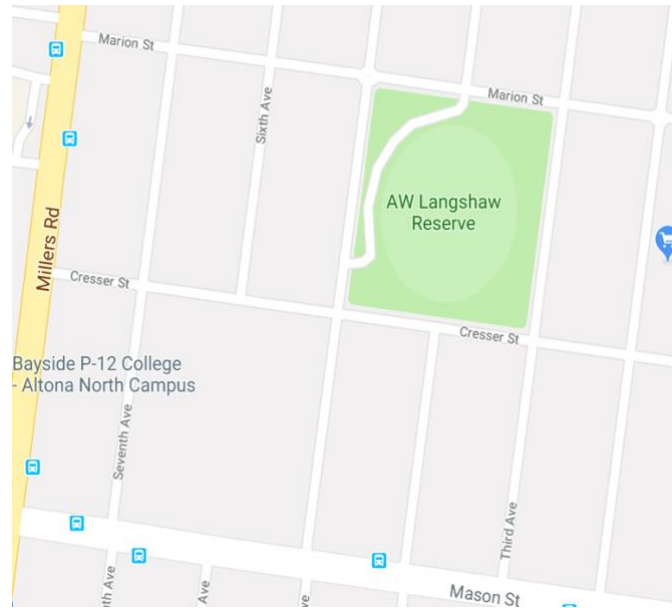

Everyone in a role at the Newport Power Junior Football Club is a volunteer and as such they give up their personal time to help this club function. From the President to the Coaches it takes a lot of time and effort to front up every week and it is important that all parents and players appreciate all our volunteers give. On top of these roles there is an expectation that ALL families of Junior players assist both at training and on game day wherever possible. This is a community club and as such when you sign up there is an expectation of your commitment.

Our Home Grounds - 2018

1. Bryan Martyn Oval
40-58 Market Street, Newport

2. AW Langshaw Reserve
Fifth Avenue, Altona North

It is expected that players arrive at the game 45 minutes before the start of the first quarter.
